

The Kiwanis Club of Manitou Springs was chartered in 1921. Members work together to raise money for local charities that help children and young adults. 100% of all funds raised for charities are spent on charities.

Manitou 's Kiwanis Club local projects consist of Boy and Girl Scout support, Key Club, elementary school special education, middle school camperships, high school college scholarships, Care and Share Pantry, Easter egg hunt, Halloween Carnival school support, Breakfast with Santa, Huck Finn Fishing Derby, Project Safe Child Seats, Health Fair and Thrive Flu Shot Clinic. Kiwanis also supports Silver Key and Senior Citizen Transportation.

Service projects often are linked to the Kiwanis program, **“Young Children: Priority One.”** This initiative places continuing focus on the needs of children in pediatric trauma, safety, child care, early development, infant health, nutrition, and parenting skills.

Service projects also address other needs within the community, such as working to stop substance abuse, helping the elderly, promoting literacy, supporting youth sports and recreation, responding to disasters, and supporting specific persons in need.

Kiwanis also plays a special role in developing future generations of leaders. High School Key Clubs are Kiwanis organizations that teach community service and leadership skills to young people.

A typical Kiwanis club is a snapshot of its community, with members from all walks of life and at every step of life's ladder.

Our club meets Monday Evenings at 6:15 at the Community Congregational Church. Everyone is welcome to visit.

Foundation History

The first scholarships were presented in 1950 by the founders, Wilson Bundy, Superintendent of Manitou schools and A.O. Maltby, Manitou city engineer. The first scholarships were \$250.00 each. In 1959 the scholarship program was large enough to incorporate, and the funds were placed in an endowed investment fund. By policy the principal must remain invested and scholarships are paid from the return on investment.

During the past 61 years, the Foundation and its predecessor have given more than 600 Manitou High School graduates scholarships with over \$150,000 distributed since 1993. Today the typical scholarship is a one year grant of \$1,000 to \$2,000.

PURPOSE

The Foundation maintains an endowment in perpetuity and uses the earnings to grant college scholarships to Manitou Springs High School graduating seniors. A preference, by request of the founders, is given to students who attend in-state institutions. Students planning to attend out-of-state institutions also receive scholarship assistance.
